Annex 1: Call for participants

Call for participants to workshop on: **Flood Resilient Planning Strategies for Cultural Heritage in Southeast Asia**

Under the Researcher Links scheme offered within the Newton Fund, the British Council and Thailand Research Fund will be holding a workshop on the above theme in Bangkok on 9-11 January 2019. The workshop is being coordinated by **Naresuan University: Thailand, Center of Regional and Urban Studies: Vietnam and the University of Lincoln: UK**, and will have contributions from other leading researchers. We are now inviting Early Career Researchers from the UK, Thailand, Vietnam, and Philippines to apply to attend this workshop. All travel and accommodation expenses will be covered by the Newton Researcher Links programme.

The application form, with more details on the initiative, is attached and should be sent to **pwitiya@googlemail.com** before **the deadline of 31 October 2018** (by 16:00 UK time).

Please see this link below for detail on British Council policies that relate to your work- adherence to these policies are British Council Requirements http://www.britishcouncil.org/new/about-us/jobs/folder_jobs/register-as-a-consultant/policies-for-consultants-and-associates/. Please refer to brand guidelines (Annex 3 and as directed by the British Council office in the country where you will be delivering your workshop) when drawing up the application form and any publicity or dissemination activities relating to your workshop.

Workshop Title: Flood Resilient Planning Strategies for Cultural Heritage in Southeast Asia

Thailand-based coordinator [Witiya Pittungnapoo, Naresuan University]:

Vietnam-based coordinator [Pham Tran Hai, Center of Regional and Urban Studies]:

UK-based coordinator [Anna Catalani, University of Lincoln]:

Discipline: Town Planning, Urban Studies, Cultural Studies, Cultural Heritage, Climate Changes and other relevant disciplines

Dates and venue: 7-11 January 2019, Bangkok, Thailand

The programme, 'British Council Researcher Links' provides opportunities for early career researchers from the UK and internationally to interact, learn from each other and explore opportunities for building long-lasting research collaborations.

As part of this programme, we are now recruiting early career researchers to participate in the above workshop.

The workshop will provide a unique opportunity for sharing research expertise and networking. During the workshops early career researchers will have the opportunity to present their research and share experiences in short oral presentation and discuss this with established researchers from the UK and partner countries. There will be a focus on building up links for future collaborations and participants selected on the basis of their research potential and ability to build longer term links.

The British Council and Thailand Research Fund will cover the costs related to the participation to the workshop, including: travel (both international and local), accommodation and meals. Costs for the visa will be covered; however participants will be responsible for making all the necessary arrangements. Although this cost will not be covered by the British Council, **participants are encouraged to purchase an adequate travel and medical insurance**. The British Council accepts no responsibility for any problems which may occur when the participants are in-country.

Application and Deadline:

The full application below must be completed and submitted **by the 31 October 2018** to: [pwitiya@googlemail.com] before 16:00 UK time.

Eligibility Criteria:

- Applications must be submitted using the Researcher Links application form
- Application must be submitted before the above deadline
- Participants must be Early Career Researchers: Early Career Researchers are defined as holding a PhD (or having equivalent research experience – town planning, urban studies, cultural studies, cultural heritage, climate change, and other relevant discipline) and having up to 10 years post-PhD research experience. They are equivalent to the 'Recognised Researcher' and sometimes 'Experienced Researcher' categories in the EU framework for researchers' careers.
http://ec.europa.eu/euraxess/pdf/research_policies/Towards_a_European_Framework_for_Research_Careers_final.pdf.

- Participants must have a research or academic position (a permanent post, research contract, or fellowship etc) at a recognised research institution **either in the UK, Thailand, Vietnam, and Philippines.**
- Please note that participants are expected to attend all sessions of the workshop.

Quality Assessment

- Experience and relevance of the applicant's research area to the workshop
- Motivation and contribution to the aims of the workshop
- Description of the long term impact expected through the participation in the workshop
- Ability to disseminate workshop's outcomes

Selection Procedure:

- Eligibility check
- Quality assessment

Notification of results:

Applicants will be notified by email 2 months prior to the workshop (31 October 2018)

Equal Opportunities

Equal opportunities and diversity are at the heart of the British Council's cultural relations ambitions. While recognising that some research fields are dominated by one particular gender, co-ordinators are encouraged to work towards an equal gender balance, promote diversity. They must not exclude applicants on the basis of ethnicity, gender, religious belief, sexual orientation, or disability. Participants' selection undertaken by workshop organisers must not contravene this policy. Extra support to enable participation of Early Career Researchers with special needs will be given.
